Berndt was appointed to canvass the German colony to see what support can be secured for such a project. The plan is to have classes twice a week to which all German children can go and receive instruction in their mother tongue.

PUGNACIOUS JAPS ARE FOUND GUILTY

The ease of the Japanese charged with assault and battery on John Kallikoi was finished in the Police Court yesterday afternoon. The attorney for the defense only put on two of the men, namely, Orita and Taketa. The other three witnesses were the women who said they were on the scene.

Orita stated that he was giving a big Japanese dinner in the building opposite the cemetery during the afternoon and did not go out of the place between the hours of 3 and 7 o'clock. As the alleged assault took place at about 6:15 o'clock, it could be easily seen that the witness was trying to prove an alibi. He stated further that Taketa was with him the whole time.

Deputy Sheriff Chillingworth put on Special McDuffy in rebuttal. The officer's testimony was to the effect that when he arrived on the scene, he saw Orita out in the street and that he grabbed him by the arm and would have arrested him had not Kallikoi said that he intended to get a warrant out for all the Japanese. This was a little after 6 o'clock.

The testimony was dead against the Japanese and they were fined \$6 and costs each. Two of the assailants of Kallikoi are still at large and cannot be found. When located, they too will be prosecuted.

KEWALO DITCH EXTENSION

Good progress is being made by Vincent & Belsor, contractors, on the extension of the Kewalo drainage ditch. It is now within 400 feet of the upper end, upon the Old Plantation, where it will receive the discharge of storm water sewers, 36 inches by 54 inches in size, running from Beretania street.

The walls of the ditch are of concrete, a foot wide at top. Its width is eight feet but narrowing near the upper end. At the ocean end the ditch is five and a half feet deep, the walls increasing in height to seven feet at the upper end. Already the part of the ditch completed has lowered the water in the Kewalo swamp eighteen inches.

The ditch will be covered with plank, which will form a sidewalk for a new street to be opened to King street. Charles B. Wilson is government inspector of the work.

LESLIE IN HOSPITAL

Lieut. Leslie of the Mounted Patrol is now an inmate of the hospital. A couple of weeks ago he had his foot spiked in a league baseball game. At first, the injury did not give him much trouble and after a few days with a slipper on the sore foot, he put on his shoes again and attempted to go on duty.

The consequence was that in a very short time, blood poisoning set in and Leslie was unable to get about at all. His foot is badly swollen and it will be quite a while before he will be able to get out again.

Leslie has been particularly unfortunate during the past two years or so. It will be remembered that he was badly smashed up while attempting to stop a runaway dray. Later on, he was burned out of his home and now comes this last accident.

EPWORTH LEAGUE RECEIVES.

There was a reception last evening at the Methodist parsonage, given by the Epworth League as a testimonial to several members of the church who are about to leave for the Mainland. Among those for whom the reception was given were Luther McTear, who goes to Vancouver; Mrs. Clark, to San Diego; Fred Loring, to Lakeport, Cal.; Mrs. S. M. Kearns, Denver; Miss Lita Hills, Miss Ruby Hills and Miss Elsie Wise, Pickering Canada.

JIMMIE CRIED ON.

Jimmie Vierra, a Portuguese boy, was sentenced to three years in the reform school yesterday afternoon by Judge Wilcox in the Police Court. It appears that he stole a dollar and acted the part of a vagrant on several occasions of late. Vierra cried in the court room and all the way down the back stairs after his sentence and his removal to the jail yard. When once below, Jack Melanphy, the turnkey, tried to pat the boy, but he would not have it and cried louder than ever.
